Board Member in the News- Mark Stevens Announcement

The Delaware Valley Chapter of the Healthcare Information and Management Systems Society (DVHIMSS) announces the candidacy of one of its directors, Mark Stevens, for Pennsylvania State Representative. Mark is running for office in the 156th legislative district in southeastern Pennsylvania, which includes the borough of West Chester and West Goshen, East Goshen and East Bradford townships. Mark has been a DVHIMSS board member for the past three years and was most recently executive director of the Pennsylvania eHealth Initiative (PAeHI), a non-profit consortium of healthcare industry stakeholders committed to advancing the broader adoption of healthcare information technology in the Commonwealth.
