

Secondary Use of Data

January 28th, 2010, 9am to 4:30pm

Stokes Auditorium, The Children's Hospital of Philadelphia

This day will prove to be a very informative and interactive day of learning at The Children's Hospital of Philadelphia's Stokes Auditorium. We are fortunate to have some industry experts in the areas of Secondary Use of Data. They will be sharing with us success stories, trends, challenges, best practices, what has worked and what has not. It will be a great day that you just won't want to miss!
